

**PREMIUM|ES™**

ENHANCED SOFTNESS BATH TISSUE

## REQUEST AN UPGRADE

We have the premium product you need to compete in the Away-From-Home Bath Tissue Category. With one of the softest sheets in the market, our Premium Enhanced Softness™ Parent Rolls will move you up to new levels of distribution.

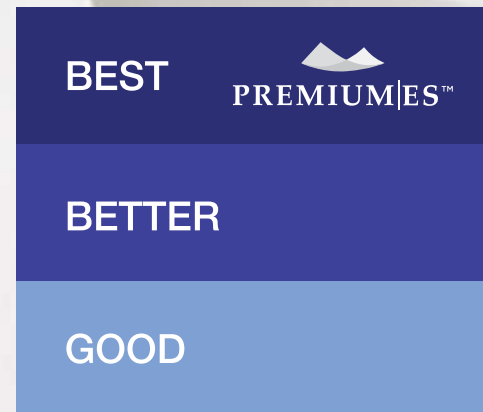

# COMPETE WITH THE BEST

Premium Enhanced Softness will give your product the BEST quality you need to compete at the highest levels of the Away-from-Home Market.

- Luxury business hotels, restaurants and resorts
- Class A office buildings

## Away-From-Home Quality Levels

## White Mountain Tissue: YOUR MILL PARTNER FOR PREMIUM QUALITY TISSUE

By combining experience with state-of-the-art technology, White Mountain Tissue can confidently tailor a parent roll program that meets the fitness for use criteria of your customers. We welcome the opportunity to become a partner in the growth of your business.

## Central National-Gottesman

Founded in 1886, Central National-Gottesman Inc. (CNG) is one of the largest privately held pulp, paper, packaging and tissue companies in the world. CNG's financial strength and global market coverage, combined with long-standing supplier and customer relationships, make the organization unique in the pulp and paper industry. CNG acts as the exclusive sales and marketing representative of White Mountain Tissue.
